Dear Paul,

I would like to take time out to reiterate the points I made at our meeting this morning. It has been a very busy time, both here and at Almet, and I feel that the amount of work we have got through over the last few weeks has been great. I would like to add my personal note of thanks to you and your staff for your helpful, professional and valued work. The quality of the stillages I have received has been exemplary. These are not only my thoughts but the thoughts of my colleagues and customers. Please can I ask you to filter this note of thanks to everyone involved at Almet. I look forward to continued growth within our two organisations.

Many Thanks,
